Food Testing Lisboa

## Sample code Nr. 323-2024-00027257

## Analytical Report Nr.

Report Date 05/08/2024 AR-24-XV-027386-01 / 323-2024-00027257

## EXPLANATORY NOTE

The results refer only to the tested items and according to the sample as received.

The test report must not be reproduced, except in full, without the written agreement of the laboratories.

The sampling and the sample collection are not within the accreditation scope.

The opinions or results interpretation are outside the accreditation scope.

The tests not identified by the two-letter code XV are contracted to external suppliers of the Eurofins group and are not within the accreditation scope of Eurofins Food Testing Lisboa.

The results presented in this test report are in accordance with the General Sales Conditions available upon request. The tests are identified by a 5-digit code. The description is available upon request.

Laboratory Eurofins Food Testing Lisboa - Carnaxide:

The reported expanded measurement uncertainty has been estimated in accordance with ISO 19036 and is based on a standard uncertainty multiplied by a coverage factor of k = 2, providing a level of confidence of approximately 95 %. Uncertainty refers only to the determination. The decision rule to be applied by the laboratory for the conformity assessment of microbiological results will be: the value of the measurement uncertainty shall not be taken into account in the conformity assessment. If the customer does not inform the laboratory of the need to include a declaration/conformity assessment of the results, the laboratory reserves the right to use the decision rule described above.

Caption: NE - The term "estimated number" means a less accurate estimate of the true value when the plaque count is less than 10 colonies. The tests identified by the two-letter code XV are carried out in the permanent facilities of Eurofins Food Testing Lisboa – Carnaxide laboratory (Estrada da Outurela 118 Parque Holanda , Bloco 2 Piso 0, 2790-114 Carnaxide).

IPAC is a signatory to the EA MLA and ILAC MRA for testing.

The tests identified by the two letters code XV are performed in laboratory Eurofins Food Testing Lisboa . The symbol (a) identifies the tests under accreditation NP EN ISO/IEC 17025:2018 IPAC L0748.
